Please be advised that CATHSSETA is in the last month of its financial year 2015/2016 and the SETA Management System (SMS) will be closing next week.

Kindly ensure that all data related to the current financial year is captured/uploaded onto the SMS.

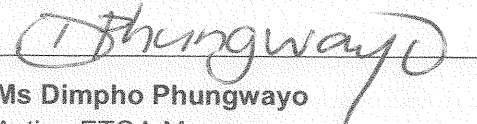

Training providers offering skills programmes and Learnership that are SETA funded please ensure that evidence for the learners or data reported is submitted prior to the close of the system so that payment requisitions are processed within the financial year 2015/2016.

The system will be blocked to both internal and external stakeholders, with all user given access limited to "Read only".
